See Continuation Sheet

Part III.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

/Arthur O Hall/
Examiner, Art Unit 3714

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner and applicants discussed amendments that would recite that a non-winning outcome has no value, that at least one outcome has a positive value, that the operation of the selector is by player operation, and that an outcome is selected by the gaming machine after the selection of a displayed designated award set is made by the player operation of the selector..
